Release from Liability and Assumption of Risk

The Undersigned desires to learn traditional Japanese weapons martial arts (a.k.a. Iaido, Iaijutsu, battojutsu, kenjutsu, naganata-jutsu), notwithstanding their awareness of the possibility of incurring injury in the course of such study. The Undersigned, therefore, in consideration of being accepted as a willing participant in such study by Houston San Shin Kai (i.e. Peak Wellness 360 LLC), a school associated with the North American San Shin Kai LLC, hereby assumes all risks of personal injury (whether anticipated or unanticipated) resulting from their participation in the classes and seminars conducted by Houston San Shin Kai. The Undersigned further agrees to hold Craig Hocker, Peak Wellness 360 LLC, Roger Wehrhahn, Studio NiaMoves, North American San Shin Kai LLC and their officers, instructors and agents harmless from any liability resulting from such study and practice.

I have read the assumption of risk above and I accept all of the terms stated therein.
